VENT-AND-VISOR SIDE WINDOW DEFLECTORS

These dual-function vent-and-visor side window weather deflectors are designed to circulate fresh air through an opened or cracked window and keep unwanted elements out. Custom-molded to fit your Silverado, these deflectors divert rain, sleet and snow away from the side windows, while reducing wind noise and sunlight glare.

- Manufactured from UV impact-resistant material to withstand harsh conditions
- Unique over-the-mirror sail design adds functionality
- Designed to complement the hood design of Silverado
- CAD design conforms to vehicle contours and makes installation easy
- Made in the USA
